Dear Tony:

It is a great pleasure to write this letter of appreciation to express our gratitude for your donation to the 8th Annual Charity Golf Tournament for Simcoe Hall Settlement House. This year's tournament was a great success and raised \$4700 for the children and families of Simcoe Hall. Allow me to say thank you, on their behalf, for your role in making such a significant contribution to their lives.

We have received very positive feedback from golfers who enjoyed the day from start to finish. The weather could not have been more favourable and the prize table was outstanding. The value and selection of Tournament prizes is a major drawing card for the 106 golfers who participated. Clearly, we could not have done this without you. It is a privilege, as always, to work in partnership with all of you.

Thank you, once again, for helping to ensure that our neighbourhood children have a safe place to play and families have adequate nutrition for healthier futures.

With kind regards,

Sandra Sweet
